

1. OVERVIEW

EasyPrint T-Shirts LTD strives to be a leader in environmental sustainability and believes that a successful future for our business and the customers we serve depends on the sustainability of the environment, communities, and economies in which we operate.

As a responsible corporate citizen, we bear a responsibility to consider the impact of our actions and how they affect the environment both directly in terms of our own operations, and indirectly through our purchasing decisions, the products, and services we offer to our customers and the business opportunities we pursue.

We are committed to minimizing the impact of our operations on the environment and to demonstrating leadership by integrating environmental considerations into all our business practices.

2. SCOPE

The requirements of this statement apply to all entities and employees of EasyPrint T-Shirt LTD.

Although this statement applies to all entities and employees, the primary audience for this policy is those responsible for its implementation, the business line leaders and local management of each entity of the company.

3. COMMITMENT FROM EasyPrint T-Shirt LTD

We want our products, services, and production to be part of a sustainable society.

Environment Commitments

Protect the Environment:

- EasyPrint T-Shirts LTD will protect the environment, including preventing/controlling pollution where possible, through responsible management of our operations.
- Will give appropriate weight to this environmental policy when making future planning and investment decisions.
- Will purchase and use products to reduce their adverse environmental impact in production, use and disposal.
- Will reduce resource consumption, waste, and pollution in our operations.

Compliance:

- EasyPrint T-Shirts LTD will comply with, or exceed, our environmental obligations, including taking a proactive approach regarding environmental legislation that affects our business.
- Recycling e.g., we use aluminium frame screens and metal handle squeegees which have a longer shelf life. All our screens are recycled by re-stretching, re-using left over ink for new jobs.
- EasyPrint T-Shirts LTD works with clients and suppliers to encourage high environmental standards e.g., recommend sustainable and ethical products to customers incorporating our own range.
- Our methods of printing have improved with more use of less-toxic products and efficient machinery for production e.g., ink and energy saving dryers. (More information available upon request)
