Identity Merchandise Ltd - Providing Down-to-Earth Eco-Friendly Promotional Products

At Identity Merchandise, our commitment goes beyond just products; it's about making a positive impact on the environment. We have a more sustainable option for over 80% of our product range and are working towards 100% of the range to have an eco alternative by the end of 2027 - each quote we provide will have a sustainable option

Everyday Eco-Friendly Essentials
Explore our large and easy to find selection of eco-friendly branded products that you can seamlessly incorporate into your daily life. From reusable bags to sustainable kitchenware, we've got your everyday needs covered, all contributing to a greener planet

Selling for a Greener Future
We're proud to offer eco-friendly branded products that are not just items; they are a statement of our customers commitment to a sustainable future. Prevention Ocean Plastics range are plastics collected from beaches to actively remove and recycle plastics from the world's oceans.

Ultimate List for Zero-Waste Living
For those passionate about zero-waste living, explore our selection of eco-friendly products. These alternatives promote a sustainable lifestyle, and we are proud to be your partner on the journey towards a more eco-conscious lifestyle

Products are available on the Identity Merchandise site with these accreditations:
